Mr. Robert R. Simmons  
Staff Director  
Select Committee on Intelligence  
United States Senate  
Washington, D.C. 20510

Rob:

In reviewing the transcript of my open hearing, I realized that I misspoke in responding to Senator Wallop's question regarding including technology transfer in the community study on counterintelligence. Technology transfer is indeed being included. I was thinking of terrorism, which we agreed to exclude at this time.

If appropriate, would you advise Senator Wallop? If possible I would also appreciate your correcting the transcript as indicated in the attached.

Sincerely,

[Redacted Signature]

John W. McMahon
